Navigating COVID-19 Together: TAPS Bath Update

Dear customers,

With the rapidly evolving COVID-19 situation in Canada, the health and safety of our customers, associates and communities remains our top priority. Effective immediately, we have decided to temporarily close our TAPS Bath showrooms in Toronto and Mississauga, to do our part to help slow the spread of this virus.

During this time, we are committed to serving you in the best way possible. The TAPS team is still available via phone and email, and will be on-site Monday-Friday 9 AM – 4 PM. For any new or existing orders, pickup and delivery service is still available.

For pickup:

- Please call ahead. Please do not attempt to enter the showroom.
- Instructions for pick up and contact details will be posted on the door.
- Over the phone, our associates will discuss arrangements for pick up specific to the location, with respect to all protocols for social distancing.

Contacting TAPS:

- Email: sales@tapsbath.com
- Phone:
TAPS Mississauga: (905) 569-1262
TAPS Toronto: (416) 785-0224

As always, you can find inspiration for your kitchen or bathroom on our [Facebook](#) and [Instagram](#), and on our website www.tapsbath.com.

We are closely monitoring the situation and basing our decisions on the latest information and guidance set by the [Government of Canada](#) and [World Health Organization \(WHO\)](#). Thank you for your support as we navigate these uncharted times together.
